

In the development of drbm Consultancy Ltd, Bill has completed change management programmes for Doncaster Mental Health Trust, GNER, ParcelForce and Arena Housing.

Profile

Bill Moore is Chief Executive and founder of drbm Consultancy Ltd. He holds a PhD in Chemistry and has an extensive background in the chemical and pharmaceutical industries. Before founding drbm Consultancy Ltd in 2001, Bill previously worked for large multi-national companies for seventeen years in senior and site management roles, providing him with a wealth of industry experience to bring to his company.

During this time Bill also worked as an Open University lecturer on a part time basis for 13 years teaching Science studies. He has also served on two academic course governor committees with Sunderland University, and in both 1997 and 1999 won a prestigious Talucchi award for improving profitability and innovation by high profile company, Rohm & Haas.

Personal areas of expertise include:

- **ISO management systems**
- **Change management programmes**
- **Quality improvement systems**

Bill is currently assisting several SME's in a wide range of sectors to help them improve their profitability and achieve ISO 9001: 2008 accreditation.
